This project is a part of BMBF (Federal Ministry of Education and Research Germany) funded project – Qualification and Skill in the Migration Process of Foreign Workers in Asia and supported by Free University of Berlin, Goethe University Frankfurt and the ICC Collaborative Research Unit “Visual Studies and Displacement in/to Japan”, a Joint Research Unit between Institute of Comparative Culture of Sophia University Japan and Free University of Berlin.

Between Memories
Martha-Cecilia Dietrich | Peru and UK |
2015 | 34 min |
Spanish/Quechua with English Subtitles

The film **Between Memories** explores the complex legacies of twenty years of violence and war in Peru through the ways people choose to remember it. In three audiovisual pieces made in collaboration with relatives of the disappeared, former insurgents in prison, and members of the armed forces, the director aims to create an on-screen dialogue between memories, which in practice remains elusive.
